## EXPRESS YOURSELF AT THE LIBRARY

Have a few books to checkout? Don't want to wait in line? Try one of the Library's Express Checkout Stations. The King Township Public Library (KTPL) has three of these units, located in our King City, Nobleton and Schomberg branches. All you need is your library card to access this quick, easy and confidential service.

You simply place the items you wish to borrow on the designated spot, and the machine will automatically checkout the materials to your account, prompting you to select an email or paper receipt option. You have now "EXPRESSED Yourself at KTPL!"

"As the community grows and evolves, the Library strives to meet the needs of our residents by offering flexible service alternatives. This includes self-driven service options, like the checkout unit, which have many benefits including providing borrowers a modicum of privacy, reducing wait times and freeing up library staff to focus on patrons requiring more support" said Rona O'Banion, KTPL's Chief Executive Officer.

In celebration of this service, the Library will be promoting our Express Checkout stations starting in mid May thru to mid June. Watch out for our Ambassadors, who will help walk you through the process. There will be giveaways, contests and lots of fun for both our patrons and Library staff. Come in and EXPRESS YOURSELF!
