## York Region Library Partnership

The nine public library systems of York Region are pleased to announce that they have completed a formal agreement to form the York Region Public Library Partnership (YRPLP) effective April 20, 2017. Anyone who lives, works, owns property, or attends an educational institution in a York Region municipality shall be eligible for full borrowing privileges at any YRPLP library, without a membership charge.

“In the recent past, the York Region libraries and municipalities have embarked on several initiatives in a spirit of collaboration and co-operation for the benefit of all. A formal partnership among all the nine public libraries of York Region is another positive step in this direction,” stated Rona O’Banion, CEO of the King Township Public Library.

Borrowers will be required to observe the rules and regulations of the lending library and must return materials to the library from which they were borrowed. Policies of the 9 member libraries may differ so borrowers should verify borrowing policies when getting their library cards.

Please visit your local Library or the website for additional information.
