

Math Buddies

PARENTS/CAREGIVERS: Do you have a child that could benefit from extra math help? Sign them up to work with a volunteer at the library once a week for 10 weeks.

For ages 6 to 10 (Grade 1-4), fill out an application form.

VOLUNTEERS: Are you strong in math and looking for volunteer hours? Earn Community Service Hours by coming to a King Township Public Library branch once a week to provide one on one math help for a student (Grade 1-4).

For ages 14 and up, fill out an application form.

Applications available online at kinglibrary.ca or in your local branch.

For more details please contact mathbuddies@kinglibrary.ca
